OFFICE OF PETITIONS

In re Patent No. 7,476,398
Issue Date: January 13, 2009
Application No. 10/606,796
Filed: June 27, 2003
Attorney Docket No. 14363

DECISION ON PETITION

This is a decision on the Renewed Request For Certificate Of Correction, filed August 19, 2009, which is being treated as a Petition Under 37 CFR 3.81(b) to accept the omission of a second assignee's name. A completed Certificate of Correction Form (PTO/SB/44) was previously filed on April 23, 2009.

The petition under 37 CFR 3.81 is **GRANTED**.

Petitioner urges that the present Petition was submitted to correct the omission of a second assignee's name on the previously submitted PTOL-85B and such error was an inadvertent mistake. Accordingly, petitioner requests that a Certificate of Correction (PTO/SB/44) be issued to add the omitted second assignee's name to the Title Page of the Letters Patent.

37 CFR 3.81(b), effective June 25, 2004, reads:

After payment of the issue fee: Any request for issuance of an application in the name of the assignee submitted after the date of payment of the issue fee, and any request for a patent to be corrected to state the name of the assignee, must state that the assignment was submitted for recordation as set forth in § 3.11 before issuance of the patent, and must include a request for a certificate of correction under § 1.323 of this chapter (accompanied by the fee set forth in § 1.20(a) and the processing fee set forth in § 1.17(i) of this chapter.

The requisite \$100.00 fee (Fee Code 1811) as set forth under 37 CFR 1.20(a), has been submitted. However, the requisite \$130.00 processing fee (Fee Code 1464), as set forth under 37 CFR 1.17(i), was accompanied deposit account authorization to charge any required fees. As such, the \$30.00 government fee will be applied towards the \$130.00 processing fee being charged as authorized. Further, Office assignment records are consistent with the requested correction. Accordingly, since the Petition complies with the provisions of 37 CFR 3.81(b), it is appropriate for the Office to issue a Certificate of Correction in accordance with the content of the Form PTO/SB/44 previously submitted on April 23, 2009.

Inquiries related this communication should be directed to the undersigned at (571)272-3213.

Any questions concerning the issuance of a Certificate of Correction should be directed to the Certificates of Correction Branch at (571) 272-4200.

This matter is being referred to the Certificates of Correction Branch for processing of a Certificate of Correction in U.S. Patent No. 7,476,398.

A handwritten signature in black ink, reading "Cheryl Gibson-Baylor". The signature is fluid and cursive, with the first name "Cheryl" being more prominent and the last name "Baylor" following in a similar style.
